Volume 41

Here is our world,  
So much a part  
Of our minds' unceasing thoughts  
Familiar faces, familiar places,  
Surround us in comfort and warmth.  
As we leave this, our world,  
And are ready to step into but  
another,  
Memories will be overshadowed  
By years fleeting by,  
And within this world,  
Here I am  
Pondering these misty memories of the  
past  
And wondering,  
hoping,  
waiting  
for the future.

## Memories

Yesterday a child came out to wonder, caught a dragonfly inside a jar. Fearful when the sky was full of thunder, and tearful at the falling of a star.

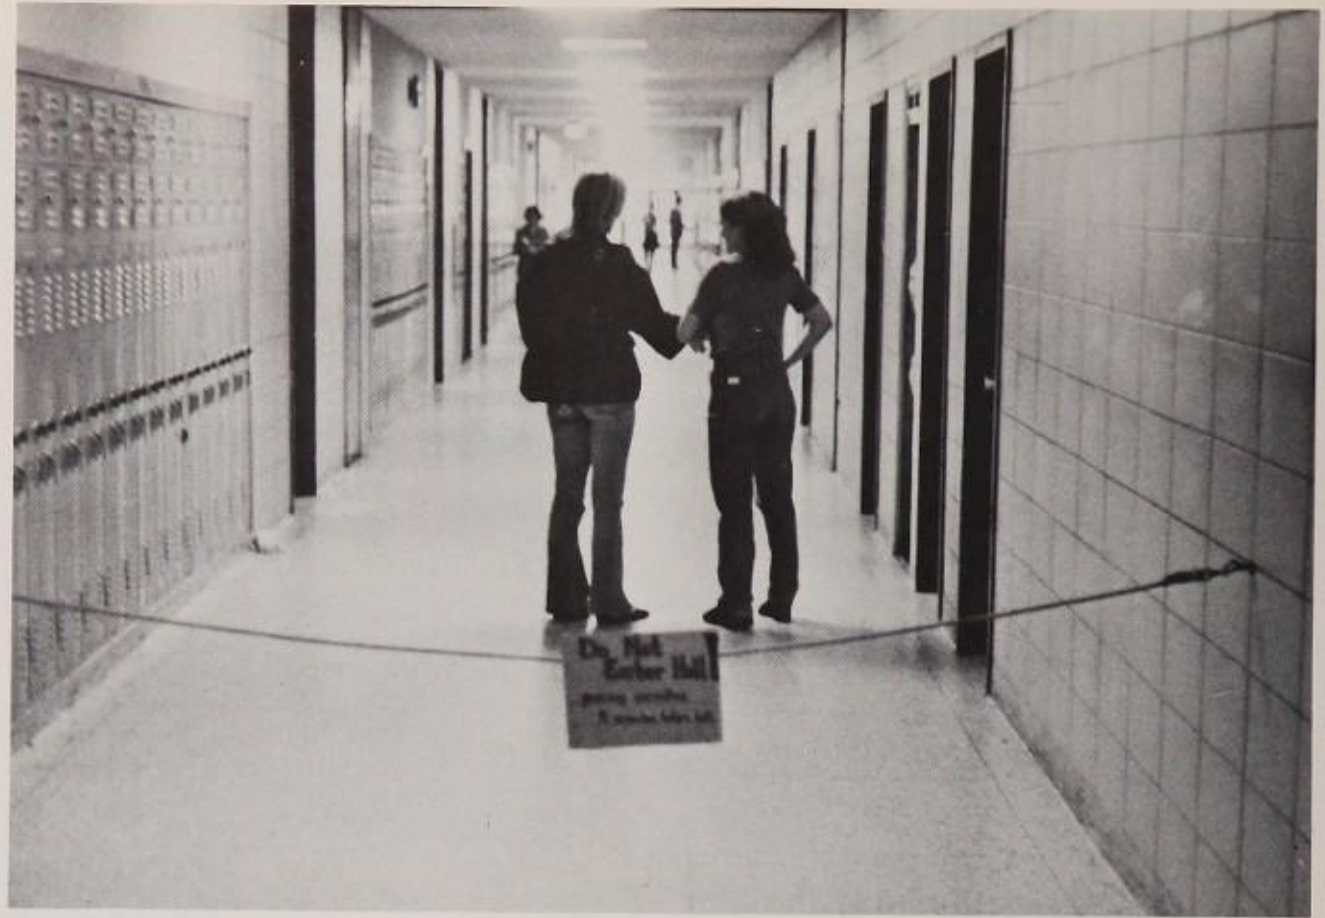

Then the child moved ten times round the seasons, skated over ten clear frozen streams. Words like when you're older must appease him, and promises of someday make his dreams.

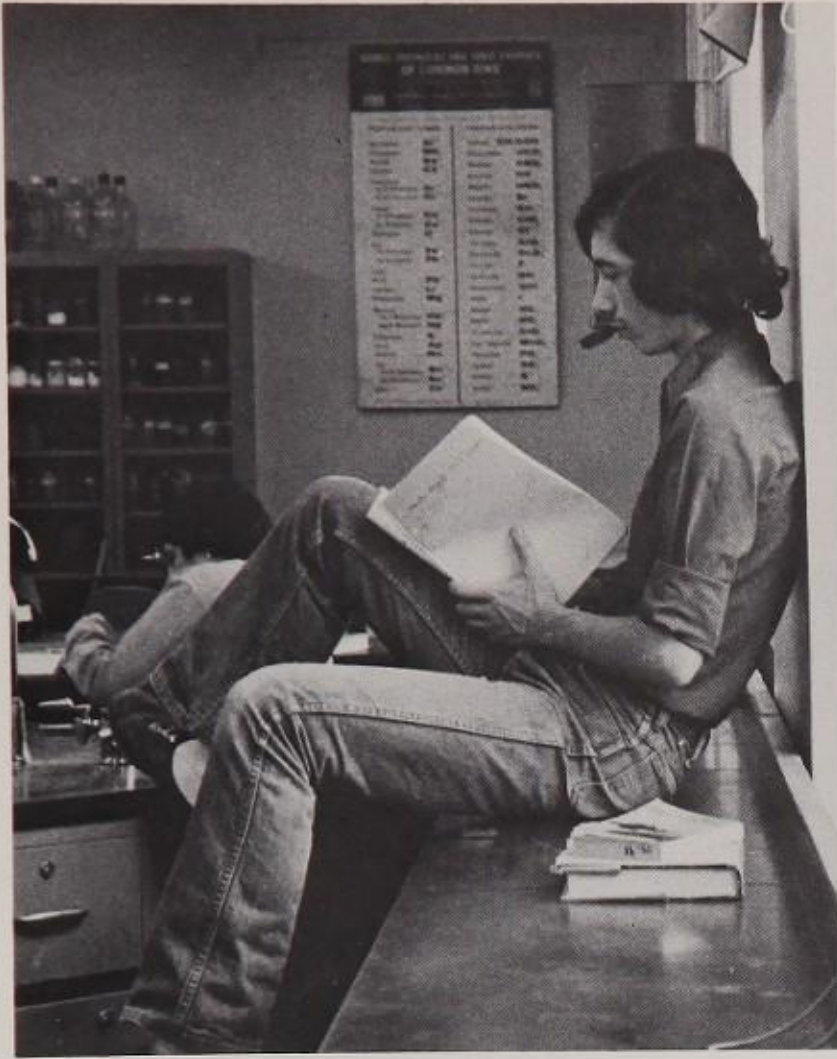

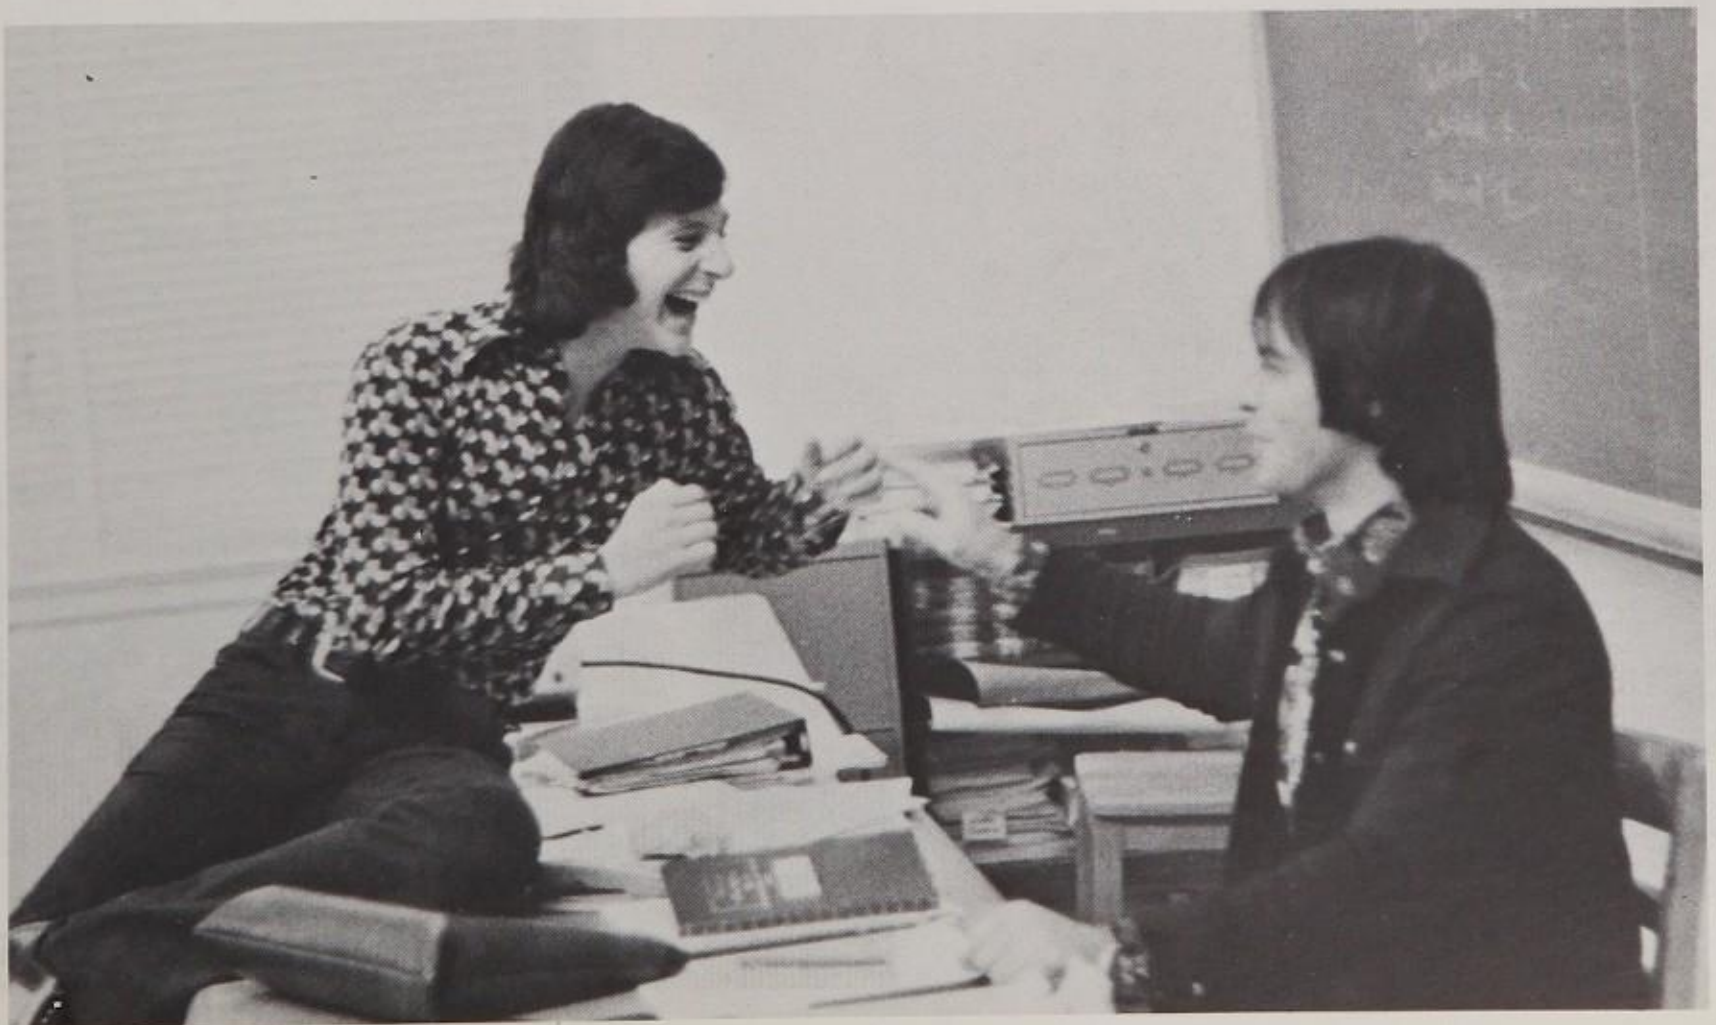

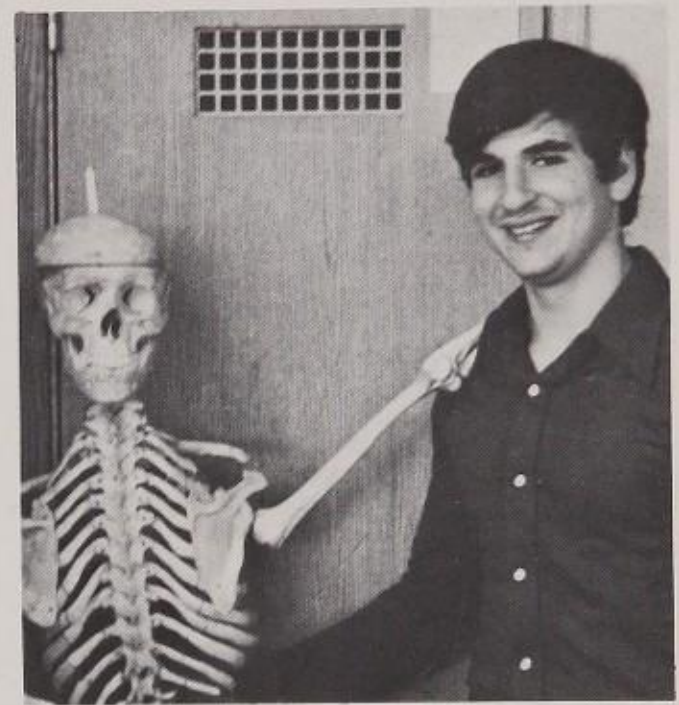

Sixteen springs and sixteen summers gone now, cart wheels turn to car wheels thru the town. And they tell him, take your time, it won't be long now, till you drag your feet to slow the circles down.

Years spin by and now the boy is twenty. Though his dreams have lost some grandeur coming true, there'll be new dreams, maybe better dreams, and plenty before the last revolving year is through.

# Principal's Message

As This part of your formal education draws to a close, I am sure you look back and remember various teachers you have had. Some you recall more vividly than others. However, they all had similar characteristics which drew them into the field of education.

Do you remember:

- the teacher who seemed Tireless when you needed extra help
- the teacher who was Humble because he knew he couldn't reach you
- the teacher who had to be Objective when you were learning how to make a decision
- the teacher who Magnified your successes and minimized your failures
- the teacher whose Agelessness in the "Peter Pan World" made him sympathetic to your dilemmas
- the teacher whose Selfishness placed your demands and needs ahead of his own

If you remembered those teachers, as you take your place in the world, let your actions show you learned your lessons well:

- provide the Balance in a heated argument
- be Attent to the needs of others
- show Respect for other people

- protect the right of individuals to reach their own Decisions
- remember Education leads a person out of where he is to view a situation from a distance
- do your best; you Never know who will remember you

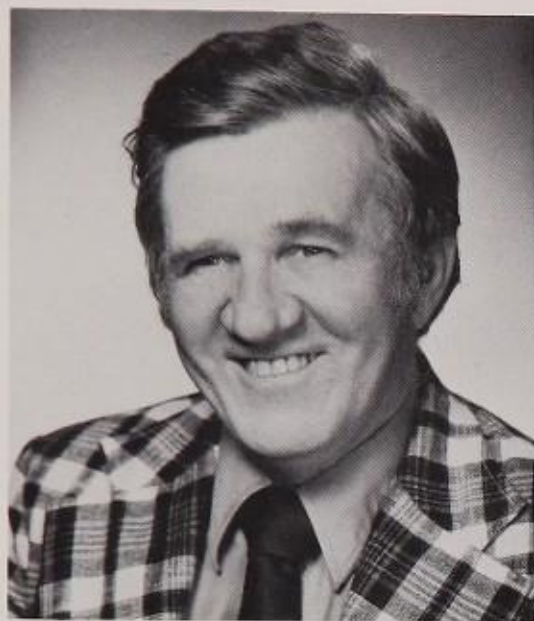

Think back upon your days at O.H.S. We, the staff and community, are looking ahead with you, the Class of '75.

## SOCCER

This season, after losing their first 2 league games, the Ocean-side Sailors came back to win 8 straight league games to finish 1 game behind the first place, East Meadow. The team, led by Coach Artie Wright, placed second in the South Shore Division I. Captains Bob Wasserman and John Ertmann, along with James McWilliams and Tom Capone were voted all league. Bob Wasserman also voted all Nassau County, was the team's leading scorer with 15 goals and 10 assists.

The Sailors, with a total of 51 goals scored and only 12 goals scored against them during the season, went into the playoffs and lost game no. 3 at 1-0. Oceanside outplayed Uniondale for most of the game, but in the fourth quarter, Uniondale, Uniondale scored on a corner kick.

The Sailors can be commended, however, on a fine and successful season.

## FOOTBALL

The Sailors found the going tough in a newly organized county league, but were not over their heads as they finished fourth in the top division. The hard hitting and aggressive play they displayed gained respect for them around the league and foreshadows success in the future.

For the first time in many years Oceanside was represented on the All County Team by an outstanding lineman; offensive and defensive tackle, Chuck Seid. Receiving honors along with Chuck this year as ll league team members were Tom Gionis—center, John Baumann—linebacker, and Don Calagna—running back.

# SAILOR BASKETBALL

The OHS Basketball team had a record of 17 wins and 3 losses this season, and placed first in the South Shore Division I. They lost in the second round of the playoffs to Roosevelt, with a score of 87-85. This is the first time in the history of Oceanside Basketball, that the team finished first 2 years in a row!

Jeff Posner, Co-Captain, was top vote getter in the South Shore All League Selections, and is a probable All-County Selection. He led the team in scoring, with 23.1 per game average. Cliff Simms led the team with 6 assists per game and 8.7 rebounds per game.

The most exciting games of the year took place at home when the Sailors defeated Baldwin (61-58) and Bellmore Kennedy (74-69), both games going into overtime. The defeat of these opponents insured the Sailors capturing first place in the South Shore Division I.

## SAILOR GYMNASTICS

This past season saw the Sailors slip to fourth place in tough Division 1 of the Nassau County Gymnastics League. With many inexperienced sophomores and juniors, our returning seniors Gary Haff, Matt Lang, Cliff Peschansky, Glenn Waldman, and Eric Wiebke were physically unable to supply the depth necessary for a winning season. Individually, however, they did very well with Glenn representing Nassau County in the Long Island Championships in the Parallel Bar and All-Around events. The injury of Marty Beck, early in the season, was an additional blow to the depth of the team. Receiving awards at the annual Fall Sports Banquet were Glenn Waldman—the Outstanding Gynmast award and Bill Bennett—the Most Improved award.

Life—so they say  
Is but a game and they let it slip away  
Like the twilight in the road up ahead  
They don't see just where we're going  
And all the secrets in the universe  
Whisper in our ears and all the years will come  
and go  
And take us up always up.  
We May Never Pass This Way Again  
Dreams—so they say  
Are for the fools and they let them drift away  
Like Columbus in the olden days  
We must gather all our courage  
Sail our ships out on the open sea  
Cast away our fears and all the years will come and go  
And take us up always up  
We May Never Pass This Way Again  
We May Never Pass This Way Again.

Lon Diamond, George Taffet, Michelle David, Marna Deitch, on behalf of the senior class.

And a youth said, Speak to us of  
Friendship.

And he answered, saying; Your friend are your needs answered.  
He is your field which you sow with love and reap with thanksgiving  
He is your board and your fireside.

For you come to him with your hunger and you seek him for  
peace.

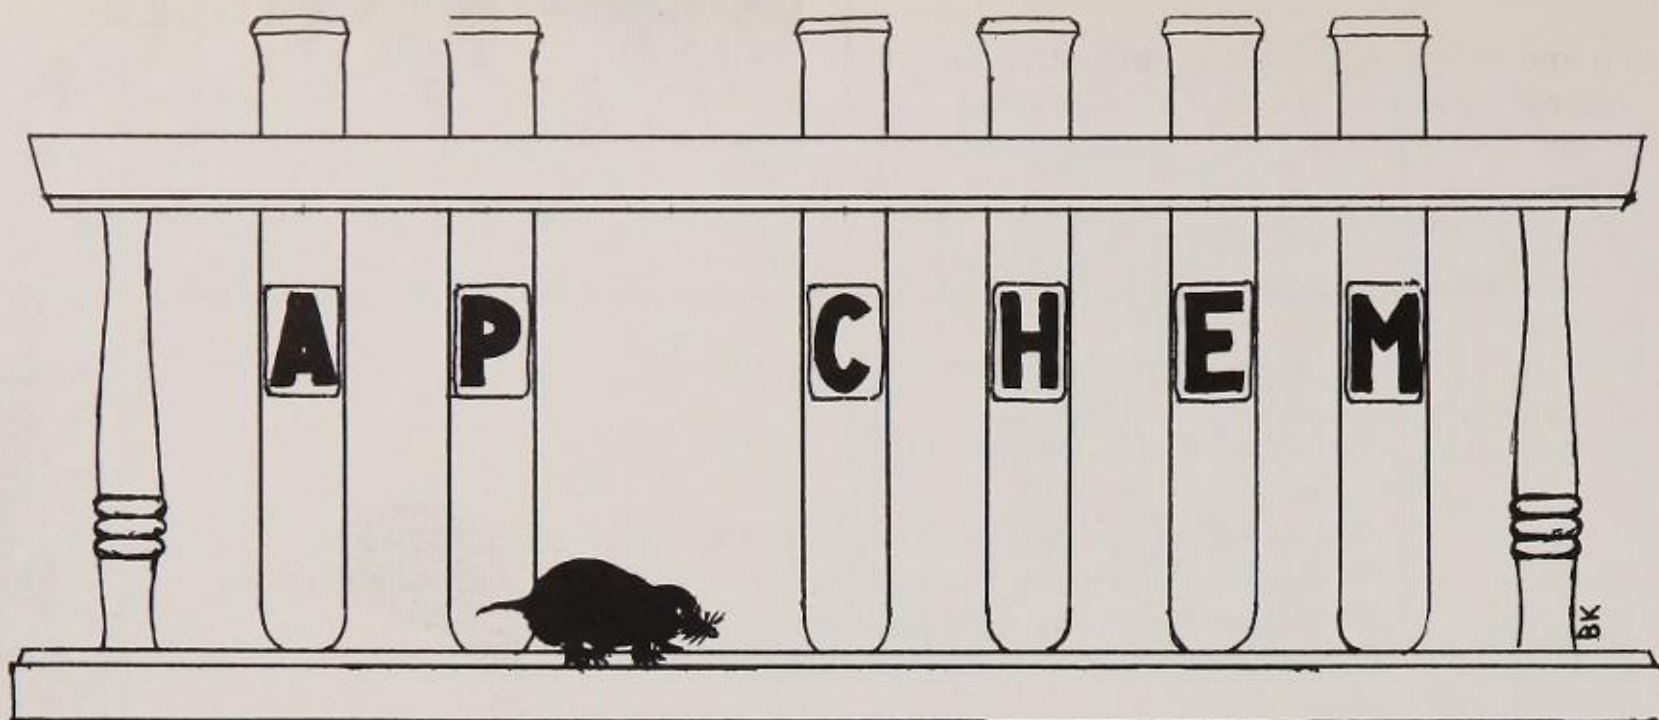

When your friend speaks his mind, you fear not the "nay" in  
your own mind,  
nor do you withhold the "aye".

And when he is silent, your heart ceases not to listen  
to his heart;

For without words, in friendship, all thoughts, all desires,  
all expectations are born and shared  
With joy that is unclaimed.

Congratulations for the future,

. . . AND THOSE WHO BIT.

Farwell to you and the youth I have spent with you.  
It was but yesterday we met in a dream. You Have  
sung to me in my aloneness, and of your longings,  
have built a tower in the sky.  
But now our sleep has fled, our dream is over, and  
it is no longer dawn—we must part.

If in the twilight of memory we should meet once  
more, you shall sing to me a deeper song. And if our  
hands should meet in another dream, we shall build  
another tower in the sky. (Unknown)

To the Class of '75

Each Happiness of yesterday is a memory of tomorrow.

Goodbye,

Sprindrift

Dear Al,  
we've gone  
through a lot  
in two years.  
I was going out with  
other things. Then there  
was a guard. Each other  
we hated the windows out  
me and used  
even had fights -  
to remember. I wish  
you do...  
the only way to live.  
Peace always  
Joanne.

Dear Al,  
You've been a great  
typami player. It's been  
great working with you.  
Thanks for all the rides  
home

Frank.

Dear Q:

This has been a year in  
which a lot has been accomplished  
and one with you which I  
hope to never forget

Always

Mark
